

Ormonde Veterinary is seeking a Full-time Mixed Practice Veterinary Surgeon. Our practice has been providing a high standard of Veterinary care for both Companion and Farm animals in Kilkenny for over 30 years. Even though the work is predominantly dairy, we also have several beef and sheep clients. Kilkenny is an intensive dairying area and currently we maintain over 40,000 dairy cows in our practice.

Our accredited level facility and capable team provide exemplary Veterinary services to the greater Kilkenny, Tipperary, and Carlow counties. Our purpose-built facility is tailored to service both our companion animal and large animal clientele – From the latest in-house diagnostic equipment, to a well-stocked retail shop for all farming needs.

The Role:

- Full-time, permanent position of 1:6 rota, with 1.5 days off in lieu of each weekend worked.
- Can accommodate farm animal bias and mentoring in herd health if desired.

Applicants should require the following:

- Hold a degree in Veterinary Medicine and be registered with the Veterinary Council of Ireland.
- Have at least two years' experience in mixed or large animal medicine. Enthusiastic new graduates will be considered.
- Have excellent communication and interpersonal skills, with the ability to effectively communicate and educate clients.
- Ability to work independently and in a team setting.
- Exhibit quality, integrity, and best medicine for all patients.

Development:

- CPD encouraged and funded up to certificate level
- Monthly Clinical Clubs
- XL Vets Sponsorship of any Certificates or Diplomas you wish to pursue.
- Career progression opportunities
- Rewarding caseload to promote clinical development.

Professional Incentives:

- Competitive Salary
- Generous Expenses (i.e. Subsistence, phone, company vehicle)
- VCI Membership Paid
- VDS Paid
- Vet Ireland Membership Paid
